This marvellous, light-filled beach house takes its name from the residents of Brim Lake, which it overlooks – the favourite spot for local pelicans. Mind you, if the pelicans only knew the style of this beach house sitting on top of the dunes they might just be a bit jealous.

What we love most about The Pelican Shed is the walls of glass on either side of the lounge that draw in light no matter what the time of day or the season. With deep comfy sofas in happy colours and a large dining table just made for

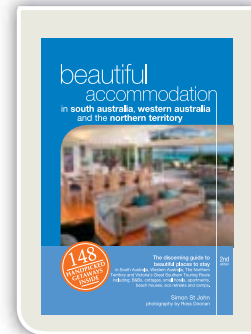

feasts and summer BBQs this is a really cheery place to come for a family holiday. So it is little surprise that kids are welcome here and they will love the easy amble to the beach for swimming or surfing.

And when it comes time for a big breakfast in town or to buy some fresh locally caught seafood, you can walk into the Robe village along the cliffs – the invigorating walk will inspire an appetite. The Pelican Shed is all about long, lazy days wandering the beach, watching movies and cooking up a storm, making this is a perfect choice in any season.

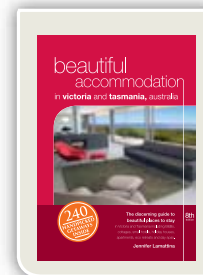

Location: 336 km or four hours southeast of Adelaide. Map 5. RA 69 H5.
Facilities: One modern beach house with four bedrooms (one king, one queen, two with bunk beds). Open-plan lounge (LCD TV, DVD, CD, Bose iPod dock), dining and kitchen. Extensive decks, BBQ, boogie boards. RC AC. Self-catering (full breakfast provisions provided first night).
